

Rodolf's Wagon

“Round up! For the craftsmen in the audience yer old friend Rodolf’s got somethin’ special! Diagrams of weapons from far off Toussaint and bits and bobs perfect fer the weireddest of alchemical blendin’!”

–Rodolf Kazmer

A Book of Tales Spell Update

Four new spells were presented in A Book of Tales but their elements weren’t defined. Akhan Daal and Van Ad-claides Gale are Air spells. Preece’s Procedure and De Claudine’s Substitution are Mixed spells.

Weapons of Toussaint Diagrams

Craftsmen and crafters can use these diagrams to create a number of weapons common to the Toussaint region as well as the Huntsman’s Crossbow. More information on these weapons, including their stats for combat, can be found in *A Book of Tales* on page 165. All prices are listed in Redanian Crowns.
